THE TS INDEFATIGABLE CUP 2012 - Reference SCR Chapter 10.26

It gives me the greatest pleasure to congratulate Birkenhead unit on winning the TS INDEFATIGABLE Cup for 2012. This is only the seventh time that the Cup has been awarded within the Sea Cadet Corps.

This important award is made by the Indefatigable Old Boys' Association to the Sea Cadet unit that has improved the most during the year, indeed, to come from no award to burgee in one year is most certainly a remarkable achievement.

The Indefatigable Old Boys' Association will bring the magnificent INDEFATIGABLE Cup to Birkenhead and make the award of a very generous cheque in person. They will be in touch with you directly to discuss the arrangements for the presentation. Indeed, when notified that you were the 2012 winners, they were especially delighted as your unit location is very close to where their very own Training Ship started only a mile away from 'T.S. Blackcap' off Rock Ferry in the River Mersey!

I am sure that you will be able to maximise the publicity for the unit, the Indefatigable Old Boys' Association and indeed the Sea Cadet Corps as a whole, taking full advantage of inviting all your local dignitaries and VIPs to help you to celebrate this excellent achievement.

Once again, I congratulate you most heartily on the enormous improvements that you have made at Birkenhead unit and wish you considerable on going success in the future.
